Dear Mrs Bailey,

I am sure you will be  
anxiously awaiting news of Elizabeth.

Elizabeth was a little upset  
the first few days at school last  
week. However, during the week-end  
there was a House party which she  
thoroughly enjoyed, and since then  
Elizabeth has seemed quite happy in  
her new surroundings. She is getting

to know the other girls now and  
beginning to converse more easily. She  
has settled in with her form very well.

yours sincerely,

Beryl M. Edwards.
