Form LVI

Pupil's Age 17.9

Average Age

MARKING : A.—Above average. B.—Average. C.—Below average.

SUBJECT	Term Grade	Examination Mark	REMARKS	SIGNATURE OF TEACHER
Scripture	C		Caroline's grasp of the advanced implications of the work she is doing is very slender and she knows it. Unfortunately she lets this discourage her into performing worse than she could.	J. Burgess
Music	C		Caroline has little idea of the real meaning of hard work. She does not seem able to produce a steady flow of work. In spite of this, in her general musicianship she shows considerable ability, especially in her aural work. Her written work is erratic with little preparation or forethought displayed. One welcome exception to this is her harmony which has recently shown some slight improvement.	H.P. Hughes
French 'O'	B-	43	Caroline has made more effort to improve her standard but her written work is still very inaccurate.	M. Edwards
Biology 'O'	B-		Caroline must make an effort to keep up with written work. She needs to revise her work very thoroughly indeed before June.	A. Cooper
Solo Singing			Caroline's voice shows considerable promise.	D.A. Watts

Remarks :

Caroline has found difficulty in trying to reconcile the demands of 'O' and 'A' level work, and must continue to work very hard if she is to obtain satisfactory results.
